

## MINUTES FOCUS GROUP CONTROL REGULATION

Friday 2 February 2018

14:00-17:30

Business Europe

Av. de Cortenbergh 168

1000 Brussels, Belgium

Following discussions during last Joint Meeting Working Groups 2 and 3 that took place on the 24 January 2018, a Focus Group was established in order to polish the draft MAC opinion on the Control Regulation

Attendees: Claudia Vinci, Guus Pastoor, Katarina Sipic, Agnes Lisik, Andrew Kuyk, Sandra Sanmartin

Attendees discussed the content of the draft MAC opinion on the Control Regulation. It was decided that comments addressing new items or suggesting new topics or comments cancelling other comments would not be taken into account due to the lack of time. The draft would only focus on what was discussed in January.

Attendees agreed on a new wording for certain paragraphs.

### **Process to finalise MAC recommendations**

The Secretariat will forward the latest version of the draft that same day to members of the Working Groups 2 and 3 for comments. These will be given three days, following rules of procedure for emergency adoption. A last draft will then be prepared for the endorsement of the Executive Committee, which will have two days to approve the draft following rules of procedure. The MAC aims at sending the final opinion to the Commission before the 15 of February.
