Items discussed

The chair thanked for the contributions received; as most of them were received late, it did not allow to preparer a draft based on contribution, ahead of the meeting.

The Focus Group made a review of the contributions received and the case studies that will be included in the draft:

1. China →to be extracted from EUROPECHE contribution (EUROPECHE)
2. Clams Italy / Turkey → Europeche
3. Red bream EU / Mauritania →Europeche
4. Philippines → CFFA
5. Thailand → CFFA
6. Ireland → EIJ
7. Fish oil → EUFISHMEAL (tbc.)
8. Aquaculture cycle → FEAP
9. Control & traceability → WWF

The deadline for contributions is the 18 of October. The draft will be prepared after that date.
