

The Role of Advisory Councils under the Common Fisheries Policy

A lunch seminar by the Market and Aquaculture Advisory Councils

Hosted by

Peter van Dalen MEP

Giuseppe Ferrandino MEP

Vice-Chairs of the European Parliament Committee on Fisheries

12 November 2019

12:45-14:15

Room A3H1

European Parliament, Brussels

The lunch seminar aims to present to the newly-elected PECH Committee the important role of the Advisory Councils in providing recommendations on fisheries and aquaculture management matters, including, market, conservation and socio-economic aspects, as well as dialogue platforms for all relevant stakeholders.
