Dear Mr Reis Santos,

Thank you for the Market Access Advisory Council advice of trade policy instruments and impact on the Union's market for fishery and aquaculture products with a particular focus on the improvement of data collection and availability. The advice covers the fields of action of DG MARE but also of other Commission's services such as DG TRADE and DG TAXUD. We will liaise with the relevant DGs and provide you with a more comprehensive feedback.

Yours sincerely,

(e-signed)
