Others	-8,161
TOTAL	<u>-73,697</u>

- Biggest impact on Pelagic Species
- Biggest impact in the North Sea & International waters

Source: Annual Economic Report 2021, STECF

# Budget (funded by the BAR)

# EAPO Members estimated impact

- Stocks under quota that were fully utilized

*Mackerel, Cod, Albacore Tuna*

Will remain fully utilized

- Stocks not under quota

Less volumes

- Stocks under quota underutilized

*Anglerfish, haddock,*

Will depend on the breakdown of quotas

# Other Socioeconomic impacts

- First Buyers
- Auctions
- Shipbuilders
- Netters
- Ship maintenance and repairers
- Coastal communities

Overall impact remains to be seen

# 2025 reduction ?

Thank you very much !
