|               |                   | five years. Under the Work Programme, the MAC             |                                   |                                 |
|               |                   | committed to provide advice on the market aspects of      |                                   |                                 |
|               |                   | the new regulation. From 29 February to 14 March          |                                   |                                 |
|               |                   | 2024, The Secretariat circulated a questionnaire to       |                                   |                                 |
|               |                   | gather preliminary input.                                 |                                   |                                 |
| Information + | Brexit            | On 1 January 2021, following the withdrawal of the        | Presentation on the               | - <u>2021 Advice</u>            |
| Decision      |                   | United Kingdom from the European Union, the EU-UK         | implementation of the United      | - <u>Border Model</u>           |
|               |                   | Trade and Cooperation Agreement entered into force.       | Kingdom's Border Target           |                                 |
|               |                   | The UK announced that, from the end of January 2024,      | Operating Model by COM            |                                 |
|               |                   | a new approach to importing goods into Great Britan       | representative. Decision on way   |                                 |

|                                |        | would be introduced, the Border Target Operating   | forward (e.g., collection of input   |   |
|--------------------------------|--------|--|--|---|
|                                |        | Model. Under the Work Programme of Year 8 (2023-   | for the preparation of advice).  |   |
|                                |        | 2024), the MAC committed to providing advice on the matter.  |  |   |
| Information +<br>Consideration | China  | On 13 December 2022, the MAC adopted joint advice<br>with the LDAC about the Chinese distant-water fleet. A<br>letter of reply from the European Commission was<br>received on 16 February 2024. At the 2 April 2024<br>meeting, there was a presentation of journalistic<br>investigations into China by the Outlaw Ocean Project.<br>It was agreed, as an action item, that an agenda point<br>would be scheduled on potential follow-up advice. In<br>2024, EJF also published several reports on IUU fishing<br>and human rights violations in China.  | Presentation and consideration<br>of draft advice on the<br>application of the forced labour<br>regulation and the Corporate<br>Sustainable Due Diligence<br>Directive. Presentation of recent<br>reports on IUU fishing and<br>human rights violations in China<br>by EJF representative. | <ul> <li><u>MAC Advice</u></li> <li>Draft Advice (Via Emai<br/>/ Members Area)</li> <li><u>EJF Report</u></li> <li><u>EJF Report</u></li> </ul> |
| Consideration                  | Sharks | On 22 February 2024, in response to the European citizens' initiative "Stop finning – Stop the trade", the European Commission launched a call for evidence on potential measures to better protect sharks. Possible policy measures include unilateral trade measures, bilateral agreements, an EU ban on loose shark fins within the EU market and for international trade, and an international prohibition of trade in loose shark fins. At the 2 April 2024, a presentation of the initiative took place. It was agreed, as an action point, that the Secretariat would circulate a questionnaire and that draft advice would be prepared based on the replies. | Consideration of draft advice on<br>protecting sharks through<br>sustainable fishing and trade.  | - <u>Call for Evidence</u><br>- Draft Advice (Via Emai<br>/ Members Area)   |
